ENVIRONMENTAL POLICY

CEL are committed to complying with legal environmental requirements and to eliminate waste and hazardous products in the work area.

- Minimise waste by evaluating operations and ensuring they are as efficient as possible
- Actively promote recycling both internally and amongst its customers and suppliers
- Source and promote a product range to minimise the environmental impact of both production and distribution
- Reduce noise levels
- Implement energy efficiency programmes

This policy will be reviewed annually.

Signed

Vincent McDermott
Managing Director
