QUALITY POLICY

Our objectives for quality are to:

- Increase manufacturing efficiency
- Reduce the number of non-conformances
- Increase sales
- Improve business processes
- Improve competitiveness
- Increase customer satisfaction

CEL is committed to continuous improvement and to this end has installed a Quality Management System to the level of IS/EN/ISO 9001:2008

Signed

Vincent McDermott
Managing Director

This Quality Policy is posted throughout the building and reviewed for suitability at the Management Review Meeting.
